45LITRE FRIDGE/FREEZER

The Ironman 45L Ice Cube Fridge/Freezer uses the latest Danfoss BD-35F Compressor. Made with high quality CFC-free polyurethane foam insulation, it will endure the harshest conditions and temperatures whilst staying cool.

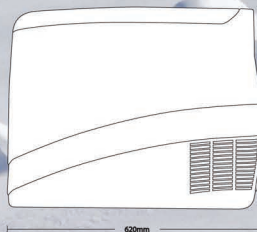

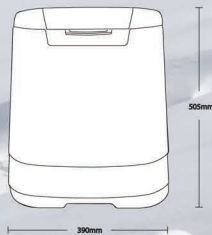

The smooth finish internal cabinet offers ultimate protection for the cooling lines and is hygienic and easy to clean.

The Ironman 45L Ice Cube Fridge/Freezer is designed to be compatible on 12/24 volt or 100-240 volt, making it ideal for camping, 4WDing and caravanning.

The digitally controlled Danfoss compressor has a cooling capacity of -18°C and can be used as a fridge or freezer. The Ironman Ice Cube has a low current draw (1.5Amp at ambient temp. of 32°C and interior temp. of 5°C) and includes a thermal insulated bag. The Ironman 45L Ice Cube Fridge/Freezer comes with a 3-year warranty.
